CHICAGO, Aug. 5 Indicinomiexample 41 leaders of the recent called oad strikes which Judge Alschul the names of those indicted had been, made public through a leak before the grand jury completed its report to the spokene jail. were returned today. The judge or dered the indictments placed under seal until investigation or the leada completed. The list published yesterday named John Granau, presiden of the new rail union, and a number of union officers in Chicago: San Prancisco and elsewhere.

## **SWEEPS RUINED** BY THE STORM

One of the greatest losses accruthe tailing ponds in the western end yard when he was seized with a of the Tonopah district, where the ternal hemorrhage resulting at Extension and MacNamara mills pass death at the nospital after his arrival there. out in the guich bordering the railroad tracks. After the flood subsid where he had worked off and on it ed if was found that the ponds were several years. The last time he was covered with a foot of mud that could employed at the Belmont and not be removed without entailing two years ago for other camps. By a prohibitory outlay. This means the loss of an enormous tonnage which was about ready for delivery to the retreatment plant at the Belmont will which handles all the slimes of the Topopah distirct. The lessees of the ponds lose all the labor they expended during the past three months in cultivating the surface to to cover the distance. The death bring out the values which are treated on a percentage basis.
